*Happy New Year!*

## Happy New Year Skaters!

### NEWS UPDATES

We hope everyone is having a refreshing and restful break!

As we prepare to welcome you back for another great year of skating, we are excited to reconnect with our returning skaters and warmly greet our new club members. To the families joining us this season, we wish you and your skater(s) a year filled with joy and success, both on and off the ice!

Remember, skating is not just about competition—it's about community, joy, and personal growth. Let's make this season unforgettable, filled with innovation, inspiration, and incredible performances. Thank you for being a part of our skating family.

On the topic of inspiration, we were thrilled to announce before Christmas that Elvis Stojko and Gladys Orozco will be guest skaters at our 50th Anniversary Ice Show, titled "A Glide Through the Decades," set for April 5, 2025. Ticket sales have been incredibly strong since the announcement, with both shows already over 50% sold out!

For more information about our programs, schedules, and show tickets please visit our website [100mfsc.ca](http://100mfsc.ca). ## A GLIDE THROUGH THE DECADES ICE SHOW

The 100 Mile House & District Skating Club is delighted to announce our most significant event to date: the 50th Anniversary Ice Show, set for April 5th, 2025! This extraordinary event will feature renowned guest skaters ELVIS STOJKO and GLADYS OROZCO, marking a historic occasion for 100 Mile House.

Elvis Stojko, a three-time World Figure Skating Champion, two-time Olympic Silver medalist, and seven-time Canadian Champion, is a true trailblazer in the figure skating world. He holds two world records: being the first skater to land a quadruple jump in combination with a double jump, and the first to execute a quadruple jump in combination with a triple jump. Currently, he is on tour with Stars on Ice.

Gladys Orozco is a professional show skater, choreographer, coach, and model. At just 12 years old, she became the youngest member of the Mexican National Team and represented Mexico for a decade on the international competitive circuit, competing in the 2002 World Figure Skating Championships in Nagano, Japan. She boasts two Junior and two Senior National titles and has performed as a principal skater with Disney on Ice and other renowned global companies.
