

100 MILE HOUSE SKATING CLUB

We LOVE Skating

NEWS UPDATES

With January now behind us we are fully focused on preparing for our highly anticipated Ice show. Soon practices will be in full swing, with skaters diligently rehearsing their routines, perfecting their jumps, spins, and choreography. The air around the arena is buzzing with excitement as the skaters prepare to present a spectacular show for the community.

The response to the upcoming ice show has been overwhelming. Tickets sold at record pace, and the buzz around town is undeniable. The Skating Club is thrilled to see such enthusiastic support, highlighting the community's love for skating!

If you haven't secured your tickets yet, be sure to act fast, as there are fewer than 20 tickets left for each show.

You can find the performance schedule and skater groups on pages 7 and 8 of this newsletter! A heartfelt thank you to our 79 skaters who will be participating. Please note that registration for the Ice Show is now closed.

As we count down the days to the show, we encourage everyone to stay updated by following us on social media or watch for information posted around the rink!

The 100 Mile House Skating Club is thrilled to celebrate last month's competition accomplishments!

Recently, twenty-one skaters made their way to Quesnel for the CNC Region Competition, where they showcased their hard work and talent. The club is proud of their achievements, which include 6 Gold, 10 Silver, and 8 Bronze assessments.

Looking ahead, a smaller group of skaters is set to compete in Kelowna from February 27 to March 2. Unfortunately, this upcoming event will not include Star 1. We appreciate your understanding regarding the limited preparation time and availability for this competition. We eagerly anticipate traveling together as a larger group again in the coming months!

Congratulations SKATERS!
